Size X4 Refill Box

Height - 164mm
Width - 106mm
Depth - 50mm

To refill simply open up the X4 and take out the old and slot in the new.

Design

Silver plastic casing with easy to grip rubberised black middle.

Key Features

1. Very Easy to use
2. Contains no harmful chemicals. Many advertising agencies use spray mount, this has many harmful ingredients. With increased litigation many companies should be very interested in switching.
3. Refillable.
4. Doesn't need a spray booth unlike spray mount.
